Additional Comments

- A great teacher with enthusiasm, I like the the exercise in class.
- Dr. Yattselev conducted a great class!
- The textbook is very difficult to follow. For such a rigorous topic, the examples need to be more plentiful, and the proofs need to more explicitly display the steps that are undertaken to arrive at the solution.

That being said, Dr. Yattselev is a very good professor. The material can be excessive and overwhelming at times, but Dr. Yattselev certainly does his best to get us all to understand what is being stated.
