## IUPUI Course Evaluations - 2017 Fall

Interpretation guidelines

The highest value represents "Strongly Agree" while the value "1" represents "Strongly Disagree". Keep in mind that students completing their course evaluations does not necessarily mean they answered each question. As a result, for some items, you may notice that the total number of responses is lower than it is for others. In these cases, the student decided to skip this question. Students also may have skipped the open-ended questions, thus leaving you with fewer responses in these sections.

Comments
I would like if my instructor could explain the concepts more clearly, and post the notes online so that we all understand it well. We would appreciate if he would not skip steps in any given problem
